Advanced Standing Arrangements Singapore

**At UTS, we think differently:
we take a global approach to education
that has innovation at its core.**

What's more, we're a university for the real world: all our courses are closely aligned with industry need, so what you learn will prepare you for your future career. And we're located in one of the world's great cities, on a dynamic and interconnected campus that will inspire you to learn.

The UTS difference

- We've created a world-class campus of vibrant, interconnected student spaces. Take advantage of our award-winning buildings, state-of-the-art facilities and sustainable design.
- We're Sydney's city university – we live in the heart of one of the world's great cities, surrounded by Sydney's creative and digital industry precincts.
- We have connections that count. More than 150 industry partners shape our course content and provide internships, scholarships and resources.
- Our students come first – when you study with us, we'll support you along the way. Student services include health and counselling, academic and English language assistance, housing and careers support, and a range of clubs and societies.
