

The Education People

Your Personal Education Consultant

WHO WE ARE

Established in 1982, we are the pioneering education consultant in Singapore advising and assisting students on overseas education.

WHAT WE DO

We provide the following services to all students at no charge as we are reimbursed by our partner universities when we place students in their institutions.

- Assessing your academic background and career aspirations
- Advising you on course selection and choice of university or college
- Submitting your applications for courses, advanced standing (polytechnic students only), *scholarship awards and monitoring the outcome.
- Securing your offer letter and guiding you through the acceptance and deposit payment process.
- Lodging your student visa application and arranging health examination and biometrics collection
- Coordinating your student accommodation and arranging medical insurance.
- Setting up your bank account in Australia for subsequent payments of university tuition fees.
- Providing you pre-departure tips on studying and living in Australia

HOW WE SERVE SINGAPORE STUDENT COMMUNITY

Publishing The Educator, not for profit quarterly newsletter which provides most updated one-source information on undergraduate courses, student accommodation, campus facilities, student life in various cities in Australia.

Organising roadshows in polytechnics and junior colleges to enable you to meet face to face with university representatives and academics who will answer all your queries on entry requirements, course structure, tuition fees, career opportunities.

Our website at <http://www.cmsedu.com> provides most updated information and videos on Australian colleges and universities.

For our events, please go to our website at <https://www.cmsedu.com> or Eventbrite at <https://www.eventbrite.com.au/o/cms-pte-ltd-17722707577>
